

Event Agenda

Kelsy and Susan will be your hosts for all events.

Day 1: Wednesday, November 15, 2017: Mayfield Dinner Theatre

Cost: \$100

A shuttle bus will take you from the Westin to the Mayfield Dinner Theatre where you will enjoy a full buffet meal while enjoying “Back to the 80s Part 2: The Adventure Continues”. The Mayfield once again dials you back to the 1980’s with an all-new adventure! Join Bill and Ted in their time traveling phone booth as they blast back to the 80’s to relive the bad hairdos, spandex pants, iconic characters and, of course, it’s most excellent mix-tape of memorable music! This year’s gnarly holiday musical revue is going to make you howl and maybe even groan a bit as we relive some of the decade’s most excellent and most non-excellent moments. With our totally tubular cast, we revisit the music from such rad artists as Prince, David Bowie, The Rolling Stones, Madonna, and countless others. We dare you to not sing or dance along (some restrictions may apply)! So, get ready to take a chill pill and rewind back in time to the crazy 80’s as we rock out in this NEW most excellent musical adventure! TOTALLY!!!
